Event Location - Crowne Plaza Times Square Manhattan 1605 Broadway, New York, NY 10019
Wifi network: Crowne Plaza Meeting   **Password:** REDCapConNYC   Twitter @projectredcap #redcapcon

Sunday, August 13, 2017 - Registration and Welcome Dinner		
Time	**Location**	**Activity**
4:00 – 6:00 PM	Broadway Ballroom Foyer (4th floor)	Registration check-in
6:00 – 8:00 PM	Broadway Ballroom (4th floor)	Welcome dinner and introduction **Jessie Lee**, Research Data Project Manager, Weill Cornell Medicine 2017 REDCapCon Kickoff Presentation **Paul Harris**, Director of Vanderbilt Office of Research Informatics, Vanderbilt University School of Medicine
8:00 PM	End of Sunday programming – move to organized/self-organized social activities	

Monday, August 14, 2017 - Registration, Plenary, Workshops, Small Groups, Networking		
7:30 – 8:25 AM	Broadway Ballroom Foyer (4th floor)	Late registration check-in
	Atrium (4th floor)	Breakfast pickup (eat in Broadway Ballroom)
	Early 'Birds of a Feather' (optional ad hoc small groups)	
	Room: 401/402 (4th floor)	Installing a Local REDCap Instance **(Bring Your Own Computer)**
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	MyCap Testing Group
Plenary Session		
8:25 – 9:00 AM	Broadway Ballroom (4th floor)	<u>Welcome</u> **Julianne Imperato-McGinley**, Weill Cornell, Program Director and PI for the Weill Cornell Medicine CTSC **Elizabeth Wood**, Director of Core Informatics Group, Associate Director of Biomedical Informatics, Weill Cornell Medicine <u>Keynote</u> **Thomas Campion**, Assistant Professor of Healthcare Policy and Research, Director of Research Informatics, Weill Cornell Medicine
9:00 – 9:45 AM		REDCap Software: What's New & What's Next **Rob Taylor**, Lead Developer, Vanderbilt University Medical Center

Monday, August 14, 2017 – Continued		
9:45 AM	Extended break **(Clear the Broadway Ballroom - check session start time for end of break)**	
Conference splits into simultaneous sessions		
New Administrator Workshop (pre-registrants only)		
10:00 AM – 2:45 PM	Times Square Ballroom (2nd floor)	New Administrator Workshop Attendees report to Times Square Ballroom (2nd floor) by 10:00 AM*** (see separate agenda - registered workshop attendees only – includes lunch)
Small Group Discussions (main conference registrants)		
10:15 – 11:00 AM	Broadway Ballroom (Act I-II) (4th floor)	REDCap and Data Standards
	Broadway Ballroom (Act III-IV) (4th floor)	REDCap + SAS/R reporting
	Room: 401/402 (4th floor)	Scalability Options (VMs, AWS, OSS, Multiple Logins)
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	Ask a REDCap Veteran
11:00 – 11:15 AM	Break	
11:15 – 12:00 PM	Broadway Ballroom (Act I-II)	Clinical Trials Validation, 21 CFR Part 11 Compliance
	Broadway Ballroom (Act III-IV)	Cloud and Container-Based REDCap Hosting Options
	Room: 401/402 (4th floor)	Looking for Unicorns: Qualifications for a REDCap Administrator
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	Implementing Free Ticketing Systems to Handle User Support
12:00 – 1:00 PM	Atrium (4th floor)	Boxed lunch pickup (return to Broadway Ballroom for Lunch with a Leader)
1:00 – 1:45 PM	Broadway Ballroom (Act I-II) (4th floor)	REDCap Epic Interoperability – Extended Session
	Broadway Ballroom (Act III-IV) (4th floor)	Repeating Forms/Events
	Room: 401/402 (4th floor)	How to Utilize the Consortium Resources/Community/Training Materials
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	Speaking in Tongues - Multiple Languages in REDCap
1:45 – 2:00 PM	Break	
2:00 – 2:45 PM	Broadway Ballroom (Act I-II) (4th floor)	REDCap Epic Interoperability – Extended Session (cont.)
	Broadway Ballroom (Act III-IV) (4th floor)	Cyber Security for REDCap Extended Features
	Room: 401/402 (4th floor)	Supporting REDCap – Staffing, Best Use of Limited Resources
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	New Feature Rollout Strategies

Monday, August 14, 2017 – Continued		
2:45 – 3:00 PM	Break	
ALL ATTENDEES – New Administrator Workshop attendees rejoin main programming		
3:00 – 3:45 PM	Broadway Ballroom (Act I-II)	REDCap Mobile App
	Broadway Ballroom (Act III-IV)	Managing Requests for Large Data Projects
	Room: 401/402 (4th floor)	Canadian Discussion Group
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	REDCap Certification Speculation
	Times Square Ballroom (2nd floor)	Operational/Non-Traditional Uses of REDCap
3:45 – 4:00 PM	Break	
4:00 – 4:45 PM	Broadway Ballroom (Act I-II)	REDCap Messenger
	Broadway Ballroom (Act III-IV)	External Modules
	Room: 401/402 (4th floor)	Spanish Discussion Group
	Room: 403/404 (4th floor)	*Collaborative space - available to reserve*
	Room: 405/406 (4th floor)	Business Model and Administration Governance
	Times Square Ballroom (2nd floor)	How To: Mastering REDCap Community
4:45 PM	End of Monday programming – move to organized and self-organized social activities	
Tuesday, August 15, 2017 - Plenary, Breakout, and Poster Sessions		
7:30 – 8:25 AM	Broadway Ballroom Foyer (4th floor)	Late registration check-in
	Atrium (4th floor)	Breakfast pickup (eat in Broadway Ballroom)
Plenary Session		
8:25 – 8:30 AM	Broadway Ballroom (4th floor)	Welcome/housekeeping **Stephany Duda**, Assistant Professor, Vanderbilt University Medical Center
8:30 – 9:00 AM		Case Study: Leveraging REDCap to Support Marginalized Populations **Jenny Coetzee**, Co-Head of Prevention on Key Populations, University of Witwatersrand
9:00 – 9:20 AM		REDCap for a Longitudinal Clinical Research Program **Emily Rosario**, Director of Research Institute, Casa Colina Hospital and Centers for Healthcare
9:20 – 9:40 AM		External Modules **Kyle McGuffin**, Senior Application Developer, Vanderbilt University Medical Center
9:40 – 10:00 AM		REDCap and Career Development **Sean Banks**, Data Scientist, Ascension Clinical Research Institute **Bas de Veer**, REDCap Lead, ITHS-University of Washington
10:00 – 10:15 AM	Break	

Tuesday, August 15, 2017 – Continued		
10:15 – 10:40 AM	Broadway Ballroom (4th floor)	Panel: Regional Consortium Updates **Irma Maré**, Senior Biomedical Informatics Officer, University of Witwatersrand **Keiko Ota**, Data Manager, Osaka City University **Katia Silva**, Researcher/Assistant Professor, University of Sao Paulo
Committee Fair		
10:40 – 11:00 AM	Broadway Ballroom (4th floor)	<u>FAQ Committee Overview</u> **Andy Arenson**, Programmer/Analyst, Indiana University <u>Spanish Resources Group Overview</u> **Eduardo Morales**, Orthopedic Research Registry Manager, New England Baptist Hospital <u>Regulatory and Software Validation Committee Overview</u> **Stephanie Oppenheimer**, REDCap Consultant, Medical University of South Carolina
11:00 – 12:00 PM	Broadway Ballroom Rooms 405-406 + Atrium (4th floor – rotation)	Committee tables, games and other activities: ½ attendees at committee tables, ½ attendees in Ballroom Rotations at 11:25 AM
12:00 – 1:00 PM	Times Square Ballroom (2nd floor)	Lunch buffet
Breakout Sessions VoteCap: http://tinyurl.com/RCBreakouts		
1:00 – 1:45 PM	Broadway Ballroom (Act I-II) (4th floor)	Surveys and eSignatures
	Broadway Ballroom (Act III-IV) (4th floor)	Technical Mix
1:45 – 2:00 PM	Break	
2:00 – 2:45 PM	Broadway Ballroom (Act I-II) (4th floor)	User Support & Training
	Broadway Ballroom (Act III-IV) (4th floor)	Adoption, Care and Feeding of a REDCap Server
2:45 – 3:00 PM	Break	
3:00 – 3:45 PM	Broadway Ballroom (Act I-II) (4th floor)	REDCap Administrative Support Models and User Policies
	Broadway Ballroom (Act III-IV) (4th floor)	i2b2, DDP, Cerner, FHIR and Other EHR Interoperability
3:45 – 4:00 PM	Break	
4:00 – 4:45 PM	Broadway Ballroom (Act I-II) (4th floor)	Data Quality & Validation
	Broadway Ballroom (Act III-IV) (4th floor)	Infrastructure Management: Managing Growth Over Time
Poster Session – (Check your email for voting ballot starting at 4:00 PM)		
4:45 – 6:00 PM	Atrium (4th floor)	**Poster session/competition**
6:00 PM	End of Tuesday programming – move to organized and self-organized social activities	
Optional 'Night Owls' (optional ad hoc small groups – reserve any time from 6:00 – 9:00 PM)		
6:00 – 9:00 PM	Room: 401/402 (4th floor)	Hosting a REDCapCon Q&A – time TBD
	Room: 402/403 (4th floor)	*Collaborative space - available to reserve*
	Room: 404/405 (4th floor)	*Collaborative space - available to reserve*

Wednesday, August 15, 2017 – Walk/Run(optional), Workshops and Plenary Sessions		
6:30 – 8:00 AM	Hotel Lobby to Central Park	~5K Fun Run/Walk
8:00 – 9:00 AM	Atrium (4th floor)	Breakfast pickup (eat in Broadway Ballroom)
Workshops		
9:00 – 10:30 AM	Broadway Ballroom (Act I-II) (4th floor)	Creative Uses of REDCap
	Broadway Ballroom (Act III-IV) (4th floor)	Plugins and Hooks (Basics): Intro to Concepts and Basic Examples
10:30 – 10:45 AM	Break	
10:45 AM– 12:15 PM	Broadway Ballroom (Act I-II) (4th floor)	Study Design Best Practices
	Broadway Ballroom (Act III-IV) (4th floor)	Plugins and Hooks (Advanced)
12:15 – 1:10 PM	Times Square Ballroom (2nd floor)	Lunch
Plenary Session	**VoteCap: http://tinyurl.com/RCWorkshops**	
1:10 – 1:15 PM	Broadway Ballroom (4th floor)	Door Prizes
1:15 – 1:30 PM		MyCap **Jonathan Swafford**, Senior Application Developer, Vanderbilt University Medical Center
1:30 – 2:10 PM		Global Health Panel **Stephany Duda**, Assistant Professor, Vanderbilt University Medical Center **Cristobal Carvajal**, Physician & Director of Clinical Data Unit, Clinica Alemana de Santiago **Dickman Gareta**, Head: Research Data Management, Africa Health Research Institute **Mariano de Stefano**, Clinical Investigator, Fundacion Huesped
2:10 – 2:30 PM		Building New Partnerships: A collaboration between IT, the Health Sciences Library and Clinical Data Management Core to increase REDCap training and support **Kevin Read**, Assistant Curator, NYU School of Medicine
2:30 – 2:50 PM		REDCap Reporting Apps **Riinu Ots**, Data Manager, University of Edinburgh
2:50 – 3:00 PM	Break (brief 10 minute)	
3:00 – 3:05 PM	Broadway Ballroom (4th floor)	Winners announcements
3:05 – 3:15 PM		Closing Presentation **Paul Harris**, Director of Vanderbilt Office of Research Informatics, Vanderbilt University School of Medicine
3:15 – 3:25 PM		2018 REDCapCon host announcement
3:25 – 3:30 PM		Closing remarks and event dismissal

2017 REDCapCon Consortium Leadership and Support	
2017 REDCapCon Weill Cornell Medicine Hosts	
Julianne Imperato-McGinley, Weill Cornell, Program Director and PI for the Weill Cornell Medicine CTSC	
Jessie Lee, Research Data Project Manager, Weill Cornell Medicine	
Elizabeth Wood, Director of Core Informatics Group, Assoc. Director of Biomedical Informatics, Weill Cornell Medicine	
Weill Cornell Onsite Conference Support	
Registration Support:	
Yvonne Herivaux, Sr. Administrative Secretary**,** Weill Cornell Medicine	
Leslie McHale, Biomedical Research Administrator**,** Weill Cornell Medicine	
400 Room AV Support:	
Gil Ortiz, Sr. Programmer Analyst, Weill Cornell Medicine	
Hamzad Persaud, IT Project Manager, Weill Cornell Medicine	
Committee Fair Support:	
Gil Ortiz, Sr. Programmer Analyst, Weill Cornell Medicine	
Hamzad Persaud, IT Project Manager, Weill Cornell Medicine	
Tatiana Peshansky, Sr. System Administrator, Weill Cornell Medicine	
Jessica Shum, Data Clerk, Weill Cornell Medicine	
Social Activities Team	
Hamzad Persaud, IT Project Manager, Weill Cornell Medicine *(Social Activities Team Lead)*	
Paula Garcia, Clinical Research Supervisor and Data Manager, Memorial Sloan Kettering Cancer Center	
Naveen Karduri, Senior Programmer Analyst & Data Management Administrator, BC Children's Hospital Research Inst.	
Greg Neils, Developer and Data Manager, Columbia University	
Ad Hoc Small Groups (Early reservations)	
Installing a Local REDCap Instance	**Brian Main**, Research Data Analyst / Database Administrator, Eastern Virginia Medical School
MyCap Testing Group	**Jonathan Swafford**, Senior Application Developer, Vanderbilt University Medical Center
Hosting a REDCapCon	**Brenda Minor,** REDCapCon Director, Vanderbilt University Medical Center
New Administrator Workshop Leaders	
Andy Arenson, Programmer/Analyst, Indiana University	
Sean Banks, Data Scientist, Ascension Clinical Research Institute	
Linda Carlin, Senior Professional Research Assistant, University of Colorado Denver	
Ceci Chamorro, Senior Analyst Programmer, Duke University Medical Center	
Leila Deering, Application Analyst, Marshfield Clinic Research Foundation	
Michelle Fernandez, Application Specialist, Vanderbilt University Medical Center	
Ruthie Knowles, Data Analyst, National Jewish Health	
Jason Lones, Clinical Data Manager - REDCap Optimization, Duke Office of Clinical Research	
Amanda Miller, REDCap Administrator, University of Colorado Denver	
Joe Wick, Business Analyst, Mayo Clinic	
Small Group Discussion and Breakout Session Coordinators	
Jeffrey Hawley, IT Analyst, Senior, Duke School of Medicine	
Naveen Karduri, Senior Programmer Analyst & Data Management Administrator, BC Children's Hospital Research Inst.	
Lynn Simpson, Research Analytics & Data Services Manager, Harvard Catalyst - Partners HealthCare	
Small Group Discussion Leaders	
REDCap and Data Standards	**Teresa Bosler**, Informatics Concierge, University of Texas Southwestern MC at Dallas
	Sheila Phillips, HF Research Manager and REDCap Site Administrator, Inova Health System
REDCap and SAS/R Reporting	**Heather Eng,** CTSI – BERD Consultant, University of Pittsburgh

Small Group Discussion Leaders - Continued	
Scalability Options (VMs, AWS, OSS, Multiple Logins)	**Pravina Kota**, Senior Systems Analyst, University of Oklahoma Health Sciences Center **Naveen Karduri**, Senior Programmer Analyst & Data Management Administrator, BC Children's Hospital Research Institute
Ask a REDCap Veteran	**Sue Lowry**, Database Programmer/Analyst, University of Minnesota **Andy Martin**, Principal Informatics Architect **Bas de Veer**, REDCap Lead, ITHS, University of Washington
Clinical Trials Validation, 21 CFR Part 11 Compliance	**Terri Shkuda**, Applications Team Lead, Pennsylvania State University **Kim Gajewski**, Database Administrator, Medical College of Wisconsin **Samantha Walkow**, Coordinator – Research Data Management, BC Children's Hospital
Cloud and Container-Based REDCap Hosting Options	**Dimitar Dimitrov**, Software Engineer, Harvard Catalyst – Partners Healthcare **Jeffrey Hawley**, IT Analyst, Senior, Duke School of Medicine
Looking for Unicorns: Qualifications for a REDCap Administrator	**Philip Chase**, Assistant Director, University of Florida **Yelena Fridgant**, SLHD Research Data Manager, Sydney Local Health District
Implementing Free Ticketing Systems to Handle User Support	**Suzanne McCahan**, Assistant Research Scientist, Alfred I duPont Hospital for Children of the Nemours Foundation **Taryn Stoffs**, REDCap Support Expert, University of Florida **Bas de Veer**, REDCap Lead, ITHS, University of Washington
REDCap Epic Interoperability (Extended Session)	**Michael Cantor**, Director, Clinical Research Informatics, NYU Langone Medical Center **Jeffrey Hawley**, IT Analyst, Senior, Duke School of Medicine **Adam Lee**, Research Informatics Specialist, University of North Carolina at Chapel Hill **Samuel Martin**, Research Informatics Architect, Spectrum Health **Sheila Phillips**, HF Research Manager and REDCap Site Administrator, Inova Health System **Lynn Simpson**, Research Analytics & Data Services Manager, Harvard Catalyst - Partners HealthCare **Paul Harris**, Director of Vanderbilt Office of Research Informatics, Vanderbilt University MC
Repeating Forms/Events	**Paul Litwin,** Programming Core Manager, Fred Hutchinson Cancer Research Center **Bas de Veer,** REDCap Lead, ITHS, University of Washington **Michael Yingling,** Statistical Data Analyst, Washington University in St. Louis
How to Utilize the Consortium Resources/Community/Training Materials	**Sue Lowry**, Database Programmer/Analyst, University of Minnesota **Samantha Walkow**, Coordinator – Research Data Management, BC Children's Hospital
Speaking in Tongues - Multiple Languages in REDCap	**Philip Chase**, Assistant Director, University of Florida **Alexandre Peshansky**, Lead Bioinformatics Analyst, Albert Einstein College of Medicine
Cyber Security for REDCap Extended Features	**Brian Main**, Research Data Analyst / Database Administrator, Eastern Virginia Medical School
Supporting REDCap – Staffing, Best Use of Limited Resources	**Yelena Fridgant**, SLHD Research Data Manager, Sydney Local Health District **Taryn Stoffs**, REDCap Support Expert, University of Florida
New Feature Rollout Strategies	**Thomas Wilson**, Research Management Coordinator, University of Oklahoma Health Sciences Center
REDCap Mobile App	**Giovanni Delacqua**, Application Developer, Vanderbilt University Medical Center **Michelle Fernandez**, Application Specialist, Vanderbilt University Medical Center

| Small Group Discussion Session Leaders - Continued	
Managing Requests for Large Data Projects	**Emma McGee**, Cancer Research Training Award Fellow, National Cancer Institute/NIH **Amanda Miller**, REDCap Administrator, University of Colorado Denver
Canadian Discussion Group	**Elodie Portales-Casamar**, Clinical Research Informatics Lead, BC Children's Hospital **Victor Espinosa**, Data Manager, Vancouver Island Health Authority **Rick Watts**, Team Lead – Research Informatics, University of Alberta
REDCap Certification Speculation	**Ceci Chamorro**, Senior Analyst Programmer, Duke University Medical Center **Stephany Duda**, Assistant Professor, Vanderbilt University Medical Center **Veida Elliott**, Associate Support Specialist, Vanderbilt University Medical Center **Brenda Minor**, Relationship Manager, Vanderbilt University Medical Center
Operational/Non-Traditional Uses of REDCap	**Cristobal Carvajal**, Physician & Director of Clinical Data Unit, Clinica Alemana de Santiago **Leila Deering**, Application Analyst, Marshfield Clinic Research Foundation **Chris Kadolph**, Programmer/Analyst Senior, Marshfield Clinic **Nick Shortt**, Clinical Trial Research Assistant, Medical Research Institute of New Zealand
REDCap Messenger	**Giovanni Delacqua**, Application Developer, Vanderbilt University Medical Center **Veida Elliott**, Associate Support Specialist, Vanderbilt University Medical Center
External Modules	**Adam Lewis**, Associate Application Specialist, Vanderbilt University Medical Center **Kyle McGuffin**, Senior Application Developer, Vanderbilt University Medical Center **Rob Taylor**, REDCap Lead Software Developer, Vanderbilt University Medical Center
Spanish Discussion Group	**Eduardo Morales**, Orthopedic Research Registry Manager, New England Baptist Hospital
Business Model and Administration Governance	**Andy Arenson**, Programmer/Analyst, Indiana University **Denise Snyder**, Associate Dean for Clinical Research, Duke University
How To: Mastering REDCap Community	**Leila Deering**, Application Analyst, Marshfield Clinic Research Foundation **Lynn Simpson**, Research Analytics & Data Services Manager, Harvard Catalyst - Partners HealthCare
Committee Fair Coordinator	
Amanda Miller, REDCap Administrator, University of Colorado Denver	
Committee Fair Table Attendants	
Frequently Asked Questions Committee (FAQ)	**Andy Arenson**, Programmer/Analyst, Indiana University **Linda Carlin**, Senior Professional Research Assistant, University of Colorado Denver **Bas de Veer**, REDCap Lead, Institute of Translational Health Sciences, University of Washington
REDCap Epic Discussion Group	**Jeff Hawley**, IT Analyst, Sr., Duke Office of Clinical Research **Lynn Simpson**, Research Analytics & Data Services Manager, Harvard Catalyst - Partners HealthCare
REDCap Library Oversight Committee (REDLOC)	**Mei Xue**, Database Analyst, University of Utah **Robert Geller**, IT Project Manager, University of Texas Health Science Center San Antonio
Regulatory and Software Validation Committee	**Tran Bourgeois**, Data Analyst, Nationwide Children's Hospital **Kim Gajewski**, Database Administrator, Medical College of Wisconsin **Viswa Gopinath**, Bioinformatics Analyst, Albert Einstein College of Medicine **Stephanie Oppenheimer**, REDCap Consultant, Medical University of South Carolina **Shalini Saini**, System Analyst Sr., University of Alabama at Birmingham
Spanish Resources Group	**Eduardo Morales**, Orthopedic Research Registry Manager, New England Baptist Hospital **Victor Espinosa**, Data Manager, Vancouver Island Health Authority

Committee Fair Table Attendants - Continued	
Training Collaboration Committee (Training Materials)	**Catherine Bauer-Martinez,** REDCap Administrator, Indiana University **Rani Dalgin**, REDCap Administrator, Boston College **Stephanie Oppenheimer**, REDCap Consultant, Medical University of South **Thomas Wilson**, Research Management Coordinator, University of Oklahoma Health Sciences Center

Breakout Session Leaders	
Surveys and eSignatures	**Riinu Ots**, Data Manager, University of Edinburgh **Greg Neils**, Developer and Data Manager, Columbia University **Lynn Simpson**, Research Analytics & Data Services Manager, Harvard Catalyst - Partners HealthCare **Ralph Williams**, CTO, Access to Wholistic & Productive Living Institute, Inc.
Technical Mix	**Andrew Carroll**, Application System Analyst/Programmer, University of Michigan **Chris Kadolph**, Programmer/Analyst Senior, Marshfield Clinic **Luke Stevens**, Data Management Coordinator, Murdoch Childrens Research Institute
User Support & Training	**Tasha Coughlin**, Data Manager, Boston University **Miriro Muvoti**, University of Zimbabwe, ICT Specialist **Shalini Saini**, System Analyst Sr., University of Alabama at Birmingham **Samantha Walkow**, Coordinator – Research Data Management, BC Children's Hospital **Ralph Wilmoth**, Project Manager, University of Arkansas for Medical Sciences
Adoption, Care and Feeding of a REDCap Server	**Antony Colles**, Senior Data Programmer, Norwich Clinical Trials Unit **Naveen Karduri**, Senior Programmer Analyst and Data Management Administrator, BC Children's Hospital Research Institute **Paul Litwin**, Programming Core Manager, Fred Hutchinson Cancer Research Center **Brian Main**, Research Data Analyst/Database Administrator, Eastern Virginia Medical School
REDCap Administrative Support Models and User Policies	**Tasha Coughlin**, Data Manager, Boston University **Samantha Walkow**, Coordinator – Research Data Management, BC Children's Hospital **Theresa Angus**, Application Systems Analyst – Research and Education, Essentia Health
i2b2, DDP, Cerner, FHIR and Other EHR Interoperability	**Teresa Bosler**, Informatics Concierge, University of Texas Southwestern Medical Center at Dallas **Adam Lee**, Research Informatics Specialist, University of North Carolina at Chapel Hill **Thomas Wilson**, Research Management Coordinator, University of Oklahoma Health Sciences Center
Data Quality & Validation	**Alvaro A Alvarez Peralta**, REDCap Support Specialist, Stanford University **Catherine Bauer-Martinez**, REDCap Administrator, Indiana University **Heather Eng**, CTSI – BERD Consultant, University of Pittsburgh
Infrastructure Management: Managing Growth Over Time	**Audrey Brown**, Data Manager III, Social & Scientific Systems – NIEHS/NIH **Naveen Karduri**, Senior Programmer Analyst and Data Management Administrator, BC Children's Hospital Research Institute **Robert Morris,** Senior IT Analyst, Duke University **Luke Stevens**, Data Management Coordinator, Murdoch Childrens Research Institute

Poster Presenters		
1	PHPCap: A PHP API for Accessing REDCap	**Jim Mullen**, Principal Systems Analyst, Indiana University
2	Interesting REDCap Use Cases with Hooks and Plug-ins at Marshfield Clinic Health System	**Leila Deering,** Application Analyst, Marshfield Clinic Research Foundation

	Poster Presenters - Continued	
3	Using REDCap for Participant Tracking & Workflow Management	**Paul Litwin**, Programming Core Manager, Fred Hutchinson Cancer Research Center
4	Extensible Plugins and FHIR Service Integration in REDCap	**Chris Kadolph**, Programmer/Analyst Senior, Marshfield Clinic
5	Ready for Production Mode? - A Tool for Improving and Automating Quality Control for Metadata and Project Setup	**Alvaro A Alvarez Peralta**, REDCap Support Specialist, Stanford University
6	Maternal Care Coordination and Program Triage	**Heather Rauch**, Database Specialist, Western Michigan University - School of Medicine
7	Evaluation of Approaches to Downstream Processing and Delivery Using a Variety of Tools Including SAS, R, and a REDCap Plugin	**Rick Watts,** Team Lead – Research Informatics, University of Alberta
8	Implementation of a Patient Reported Outcome System at Pre-Admision Screnning Using REDCap	**Eduardo Morales**, Orthopedic Research Registry Manager, New England Baptist Hospital
9	Directly Observed Therapy Using REDCap, Twilio, and Video Uploads From Mobile Devices	**John Clark,** Informatics Program Manager, Medical University of South Carolina
10	REDCap Utilization to Manage Evaluation of Request for Tender (RFT) Responses for a New Institutional Repository.	**Daniele Vicari**, Digital Research Support Officer, University of Sydney
11	REDCap Trans-Project Querying, Scientific Data Analytics and Visualization	**Amarnath Seshadri**, Sr. Research Software Developer, City of Hope National Medical Center
12	Research Management Tool	**Cristobal Carvajal**, Physician & Director of Clinical Data Unit, Clinica Alemana de Santiago
13	The Role of REDCap in Clinical Research Protocol Development and Study Conduct	**Cameron Coffran,** Scientific Programmer, Rockefeller University
14	Towards a Systematic and Sustainable Validation Strategy	**Samantha Walkow**, Coordinator – Research Data Management, BC Children's Hospital
15	Multilingual Hook	**Jen Hoitenga,** Medical Informatics Analyst/Programmer, Children's Mercy Hospital
16	Using REDCap for Provisioning End-User Accounts for an Enterprise CTMS at the University of Michigan	**Andrew Carroll**, Application System Analyst/Programmer, University of Michigan
17	Encouraging Institutional Research Using the REDCap / Twilio Interface	**Maxx Somers**, Application Specialist, Cincinnati Children's Hospital Medical Center
18	REDCap Administrator Exchange Between Accra and New York	**Rick Church,** Analyst, Clinical Research Applications, NYU Langone Health
19	REDCap Deployment - Fast and Frequent REDCap Upgrades	**Philip Chase**, Assistant Director, University of Florida
20	The Development of a Generic Tool to Export and Transform Data From a REDCap-Based EHR	**Irma Maré**, Senior Biomedical Informatics Officer, University of Witwatersrand

| **Workshop Leaders**	
Creative Uses of REDCap	**Jeffrey Hawley**, IT Analyst, Sr., Duke Office of Clinical Research **Amanda Miller**, REDCap Administrator, University of Colorado Denver **Bas de Veer**, REDCap Lead, ITHS, University of Washington

Plugins and Hooks (Basics)	**Rob Taylor**, REDCap Lead Software Developer, Vanderbilt University Medical Center
	Kyle McGuffin, Senior Application Developer, Vanderbilt University Medical Center
Study Design Best Practices	**Bas de Veer**, REDCap Lead, Institute of Translational Health Sciences, University of Washington
	Stephanie Oppenheimer, REDCap Consultant, Medical University of South Carolina
Plugins and Hooks (Advanced)	**Andy Martin**, Principal Informatics Architect, Stanford University

Vanderbilt Conference Management Team
Tabitha David-Williamson, Sr. Administrative Assistant, Vanderbilt University Medical Center
Stephany Duda, Assistant Professor, Vanderbilt University Medical Center
Veida Elliott, Application Specialist, Vanderbilt University Medical Center
Michelle Fernandez, Application Specialist, Vanderbilt University Medical Center
Adam Lewis, Associate Application Specialist, Vanderbilt University Medical Center
Laura McLeod, Relationship Manager, Vanderbilt University Medical Center
Brenda Minor, REDCapCon Director, Vanderbilt University Medical Center
