

## Introducing REDCapU

A new resource for Consortium Partners

Vanderbilt University Medical Center is pleased to announce its inaugural REDCapU this Fall!

REDCapU offerings are one-day workshops, designed to provide Consortium members with in-depth guidance to all things REDCap. Class sizes are between 30-60 people to allow for hands-on learning and maximum opportunities for group discussion.

**REDCapU attendee profile:** REDCap consortium members who install, maintain, and support REDCap at their partner site. End users are not eligible to attend REDCapU.

The end goal is for participants to walk away with the tools to leverage REDCap to its fullest potential at their institution.

**Location:** Nashville, TN

**Curriculum:** We anticipate having two different types of workshops: one for beginners and one for

more advanced administrators. The granularity and selection of a sub-set of topics (from a broad topic list provided by Vanderbilt REDCap) is determined by registrants. Registrants are given topics to rank and time is allocated to the topics most highly ranked.

**Structure:** Half of the day is a high-level overview, presented lecture-style. The second half is more hands-on and involves small group discussions.

**Presenters:** Vanderbilt staff and faculty as well as guest speakers from other Consortium institutions.

**Mailing list:** If you think you'd like to attend REDCapU in general, feel free to [complete this survey](#). You will then be on the mailing list to receive updates about future offerings, including the Fall 2017 workshop.

## REDCapU Fall 2017

**Date:** Mon., Nov. 13

**Time:** 8 am – 5 pm

**Target audience:** New administrators - whether you are at a new installation or you are new to an institution that has had REDCap for a while.

**Curriculum:** The content will be similar to REDCapCon's New Administrator Workshop but more tailored and with fewer participants, which allows for more two-way communication.

**Cost:** The registration fee is still being determined but it will be less than \$500. The fee will include materials, snacks and a lunch.

**Registration:** Registration will open soon. We are setting up a merchant account so you may pay using a credit card. In the meantime, [complete this survey](#) to let us know you are interested in attending. We will contact you as soon as registration opens.
